

Giacomo Cirò

ABOUT

I am a Computer Science student aiming at a career in Machine Learning research, Software Engineering, and Data Science. My main research interest is Machine Learning applied to Transcriptomics and my goal is to develop a single cell foundation model. I also co-founded BSML because I love connecting minds, not only layers.

EDUCATION

Bocconi University

MSc in Artificial Intelligence

September 2024 - July 2026

Bocconi University

BSc in Economics, Management and Computer Science

September 2021 - July 2024

Milan, Italy

- Grade: 110 Cum Laude
- Thesis: "Exploring Transcriptional Interactions and Language Models for Single Cell RNA-seq Masked Value Prediction", supervised by professor Francesca Buffa.
- Relevant coursework: Machine Learning, Computer Programming, Information Theory, Linear Algebra, Calculus, Complex & Fourier Analysis, Probability & Statistics, Big Data & Databases, Game Theory & Mechanism Design, Econometrics.

Liceo Scientifico Salvador Allende

Italian Scientific High School Diploma

September 2016 - June 2021

Milan, Italy

- Final Grade: 100/100
- Final Presentation on Quantum Computing
- Internship at Polimi's "GVPM Galleria del Vento"

EXPERIENCE

Bocconi Institute for Data Science and Analytics

Researcher

March 2024 - present

Milan, Italy

- Transitioned to a formal contract in September 2024 to work on the ERC funded MicroC project under the supervision of prof. Francesca Buffa;
- Developing novel approaches to incorporate prior biological knowledge into transformer models for gene expression prediction.

R.A.D. Sicherheit GmbH (F1 Paddock Club)

Access Control

September 2023 - present

Köln, Germany

- Manage the flow of 1000+ guests at Formula 1 Grand Prix;
- Worked at 2023 Monza GP, 2023 Mexico City GP, 2024 Monaco GP, 2024 Austrian GP, 2024 British GP.

Bocconi Students for Machine Learning (BSML)

Co-founder

June 2023 - present

Milan, Italy

- Collected 150+ signatures to found the first Machine Learning Students Association at Bocconi University;
- Screened and interviewed 60+ candidates;
- Created and maintained the association's [website](#);
- Supervised the publication of 2 articles on the association's website;
- Lead a research team of 3 people supervised by a Bocconi Faculty Professor.
